Prof. Laughlin Passes Away.

Prof. George H. Laughlin, after an illness of many weeks, passed quietly away Saturday morning, November 16, aged 56 years, 10 months and 19 days. He was born on a farm in Adams county Illinois, and his education began in a country school, in a school house erected by his father at his own expense. He graduated at Knox County College, Abingdon, Ill., at the age of 20, carrying off the honors of his class. After graduation he taught in the public schools for three years, when he was called to take charge of the female seminary at New London. From New London he was called to take charge of Oskaloosa College, Oskaloosa, Iowa. After he left Iowa he became president of Hiram College at Hiram, Ohio, succeeding President Garfield as the head of that institution. From Hiram College he went to Wichita, Kans., where he was made dean of Garfield College. He came to Kirksville four years ago, and for a year was pastor of the Christian church. For three years he had been teacher of English language and literature in the Normal school, which position he occupied at his death.

He was not old, but his years were full of industry and usefulness. His culture was broad, his learning profound, his manhood of full stature. His every word and act had been for the betterment of mankind, and he will be missed as few men are missed, from the lodge, the social circle, the church and the home.

The funeral took place from the Christian church Monday afternoon at 2 o'clock. The sermon was preached and the service conducted by Eld. Ely, assisted by Elds. Errett and Kirk. The Masonic fraternity conducted the services at the grave.

An Old Citizen Dies Suddenly.

Last Sunday morning the community was startled by the announcement that Robert Clark, one of Kirksville's oldest business men, suddenly expired at an early hour, of heart failure. He had been ailing for a long time, but on the previous day had attended to his business as usual. When rising Sunday morning he was seized with a sudden paroxysm of pain in the region of the heart, and expired before a physician could reach his bedside.

Mr. Clark was born in New York City, Feb. 29, 1828, and had been in business in Kirksville since 1869.

He was a prominent business man and mason, and was Past Eminent Commander of Ely Commandery.

The funeral was preached at the residence by Rev. M. H. Bradley, of the First Presbyterian church, after which the remains were taken in charge by the Knights Templar who bore them to the cemetery and laid them to rest with the impressive ceremonies of order.

Startling but True.

For many months I had been troubled with severe pains in my back, unfitting me for labor. The Doctors told me that I had lumbago, but failed to relieve me. Hearing of some of the great cures performed by Dr. Fulkerson, the Endopath, I gave him a trial. After a few treatments the pain vanished, and I have had no further return of the trouble. I consider the Endopathic system a grand success. PETER SMITH.
